

## **“Wisdom for Proper Perspective”**

James 1:9-11

February 9, 2025

**BIG IDEA:** “Wisdom from God gives us proper perspective on our circumstances.”

1. Our perspective on life's circumstances and trials will transform when we seek wisdom from God.
2. With wisdom from God, the lowly can boast about their eternal riches in Christ.
3. With wisdom from God, the rich can boast that their true riches are in Christ, not the world.
